

Valley Center Little League 2022 Sponsorship

Dear Sponsor,

Baseball season is finally upon us, which means it's almost time to cheer on your favorite Little League team! But Valley Center Little League needs your help. We rely on contributions from the community to enable hundreds of children from Valley Center and Pauma Valley to play recreational baseball during the spring and summer months.

For the 2022 season, we are looking to get as many kids out on the field as possible. With some many families having financial hardships due to Covid 19, we as a league are trying hard to keep fees down. We don't turn down a single player! With that being said, the Valley Center Little League needs the support of our community to make this a great season for them. Your sponsorship will allow these players to have lights on in the evenings, umpires for some of the games and the reduced registration fees. We couldn't have done this without the support of our community!

We have many different levels of Sponsorship geared for families and small business (from \$250) as well as corporations (Starting at \$2500+). I have enclosed a description of all the sponsorship levels as well as a sponsorship form. Please take the time to fill out the form and mail back to us. You can also visit our website at www.valleycenterll.org and visit the Donations & Sponsors page.

The sooner you take actions the sooner the kids get the result!

*The VCLL Thanks You,
Laurel Brittain #619.564.9994*
